

THE MOST ADVANCED AND SAFEST CONSTRUCTION MACHINES

Export Quality | PAN India Service & Spares Support

BAR CUTTING MACHINE

Sparkline Series of Bar Cutting Machine SCM 42/52/55

Flywheel Diameter

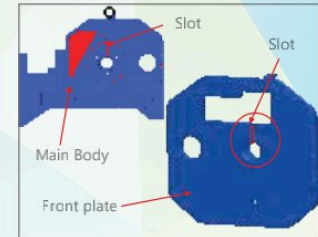

- Flywheel diameter increased to get maximum power. [1.5 times movement of inertia increased].
- Stroke impact power increased. Easily cuts high tensile and ready to take advance high tensile rebar.

Energy Efficient IE2 Motors

Indian make Energy efficient IE2 Motors has national warranty. Cost of IE2 Motor is 10% higher than IE1 but the advantage for end users is a considerable reduction in running costs over the life cycle of the IE1 rated motor. Energy efficient motor, less running cost, Enhanced motor life and comes with national warranty.

Additional Grooves

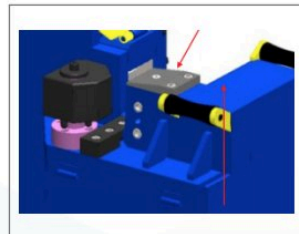

It is provided inside the cutting body to improve lubrication in shaft support bearing. It increases life of shaft support and other interconnect internal components.

Power Coating.

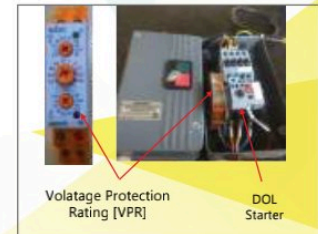

Body is made of high quality Steel, 7 tank process is done to activate surface for powder coat bonding and final coat of high quality PP [Pure polyester] powder coating. Superior finish and long life corrosion protection is given. Increase in machine life and reduction in maintenance cost.

Hardened Plates

The hardened plate supports the blade from behind and helps in sliding the bars. The hardened plate ensures no gap develops between the body & cutting blade. It also keeps the blade in good shape for long time.

Voltage Protection Rating

It is added inside the stator box. It protects machine and motor from high/low voltage.

TECHNICAL SPECIFICATION - CUTTING MACHINES

MODEL	DIMENSIONS [L x W x H]	WEIGHT	STORKE / MIN	MOTOR CAPACITY / RPM	OIL GRADE AND CAPACITY
SCM 42	1070 X 560 X 865 mm	400 Kg	90	5 HP, 3.7 kW/2880	OMALO 460, 4.25 Itr.
SCM 52	1135 X 740 X 930 mm	550 Kg	60	5 HP, 3.7 kW/2880	OMALO 460, 4.25 Itr.
SCM 55	1225 X 770 X 1025 mm	825 Kg	60	7.5 HP, 5.5 kW/2880	OMALO 460, 6.75 Itr.

LOOKING FOR CONSTRUCTION MACHINERY ON RENT

Sparkline Engineering provides high-quality construction machinery rentals, including tower cranes, men & material lifts, and rope suspended platforms (SRP). Benefit from flexible rental terms, competitive pricing, and dependable service tailored to your construction and industrial needs.

OUR SERVICES

Spares & Services – At Sparkline, we believe in providing comprehensive support for our machines even beyond the warranty period. We maintain a vast inventory of genuine spare parts to ensure swift assistance, minimizing downtime for our customers. Our commitment extends to delivering immediate on-site service to promptly address any machine breakdowns.

AMC

Once the warranty expires, customers often face challenges with machine maintenance and repairs. At Sparkline Engineering, we offer an Annual Maintenance Contract (AMC) designed to extend the lifespan of your machines and ensure uninterrupted project completion.

Installation & Dismantling

At Sparkline, we maintain a team of highly skilled engineers who are expertly trained to ensure timely and precise installation and dismantling services.

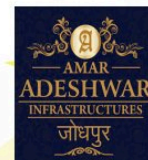

Training

Sparkline Engineering provides training programs for employees and operators to ensure safe machine operation, minimize breakdowns, reduce maintenance needs, and follow essential operational guidelines.

OUR VALUABLE CUSTOMERS :

Goyal
& Co.

Head Office : 06, Jeevan Shadhna Complex, Maniyasa Society, Maninagar, Ahmedabad - 380008

Corp Office : A- 1105, Titanium Heights, Opp. Vodafone House, Corporate Road, Prahladnagar, Ahmedabad - 380015
